

Prairie Chess Club Newsletter: Week 2 Summary

Dear Chess Club Families:

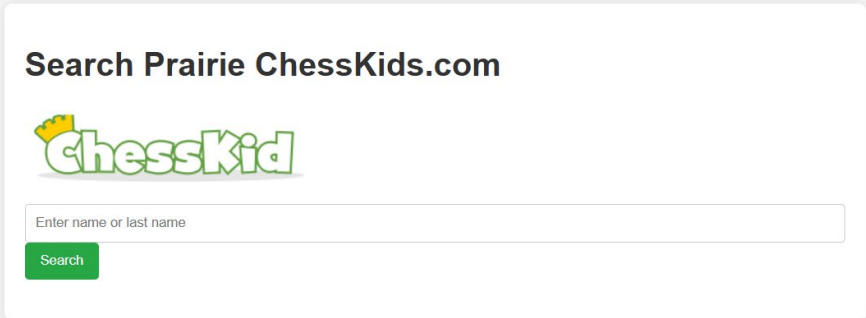

Lesson

This last week at chess club, we focused on the fundamentals of check and checkmate, discussing common checkmate scenarios and reviewing illegal moves.

Chess Kids Status

We distributed some ChessKid account information, though not all members collected their account details. For those who missed it, parents can visit our website to access the necessary information. PrairieChessClub.org

Chess Kid Account

The image shows a search interface for Prairie ChessKids.com. At the top, it says "Search Prairie ChessKids.com". Below that is the ChessKid logo, which consists of a yellow crown icon and the text "ChessKid" in a green, rounded font. Underneath the logo is a search input field with the placeholder text "Enter name or last name". To the left of the input field is a green button with the word "Search" in white text.

I plan to post all these newsletters online at PrairieChessClub.org.

Thanks, Josh!
