

Prairie Chess Club Newsletter: Week 3 Summary

Dear Chess Club Families:

Scholar's Mate

This week in Chess Club, we focused on the Scholar's Mate, a four-move checkmate that is essential for students to learn to recognize and prevent falling for it in their games.

Following this lesson, we divided the students into two groups based on their experience and playing time to facilitate tailored practice and enhance their skills.

Chess Kids Status

Let me know if issues exist with the ChessKids accounts come up! As a reminder, PrairieChessClub.org in the ChessKids section. This is a free resource which will supplement weekly chess club meetings. We eventually are planning on giving out prizes for the most puzzles attempted!

We're also looking into getting more gold member accounts.

Thanks, Josh!
