

Prairie Chess Club Newsletter: Week 1 Summary

Dear Chess Club Families:

We had an exciting start filled with learning, reviewing the basics, and plenty of playing.

Ridge Chess Club:

Ridge Students examined the fundamentals of the various chess pieces, focusing on their movements and gameplay mechanics. Beginner students were grouped and spent time with high school volunteers. Following this, students engaged in matches against one another, allowing them to apply their newly acquired knowledge in practice.

Prairie Ridge has ran out of healthy snacks and is looking for volunteers to bring in snacks for the chess club. If you would like to donate some healthy snacks, please let me know.

Creek Chess Club:

This week, we reviewed the following puzzle and started game play.

	Whites move! Hint: Look at the rooks
