

Prairie Chess Club Newsletter: Week 7 Summary

Dear Chess Club Families:

Ridge Chess Club:

This week we went over skewers, forks and a royal fork. Then we matched up by rank and continued to play games vs each other. High school students came up with chess puzzles for students while they waited for the next match.

We went over the next moves to create skewers and forks.

Puzzle Leaders Last Week!

1. Maria Gerst

2. Daphne Clinton

Creek Chess Club:

We reviewed this puzzle below. Then we matched up randomly to play chess games.

We looked at this puzzle A. Galitskiy, "Chess Journal", 1900. Mate in 3.
